Re: Application of Carolina Water Service, Inc. For Approval of A Contract
With May Green Properties, L.L.C. For Water Services in York County
PSC Docket No.: 2004-340-W

Dear Mr. Terreni:

Please allow this correspondence to serve as notification that the Office of Regulatory Staff does not oppose the request made in the referenced docket for approval of a contract with May Green Properties, LLC for water service in York County. Furthermore, ORS does not oppose the request for a waiver of hearing in this matter.

However, if the Commission deems a hearing is necessary, ORS reserves its right to participate in any such proceeding. If a hearing is scheduled, Dawn Hipp and Willie Morgan will testify on behalf of the Office of Regulatory Staff and would need approximately one hour for their testimony.

Thank you for your consideration in this matter.

Sincerely,

C. Lessie Hammonds

Attorney for the Office of Regulatory Staff
